

Your fastest way to learn. Why wait?

# Safety on Site

## Important - Safety at Wyboston

We're pleased to welcome you to Wyboston for your training with Firebrand. While you're here, you are likely to be studying alongside Firebrand apprentices - they may be on your course with you, or on other courses going on at the same time.

As a registered provider of apprenticeship training, Firebrand is legally obliged to ensure that our apprentices learn in a safe, secure environment, and are protected from any harmful situation that could stop them from being able to learn to their full potential.

This includes PREVENT duty - the legal obligation to minimise the risk of individuals being led into terrorist activity. We have an additional duty of care for the safety of any apprentices under the age of 18.

To help us observe this duty and make sure everyone who comes to train at Firebrand has a safe, successful and rewarding experience, we ask you to:

- Maintain our supportive learning environment by respecting individuals' different needs and learning styles while training
- Support good online behaviours by safeguarding your personal information, maintaining appropriate privacy settings and keeping social media posts polite and professional
- Bear in mind that there is an 11pm curfew for apprentices under 18, and avoid any loud activity after this time
- Refrain from buying alcohol for any individual you know, or suspect, to be under 18
- Be aware of our PREVENT duty. If you observe anything which makes you suspect an individual of being involved with terrorist situation or viewpoints, please contact 01480 400437.
- Remain vigilant around the complex at all times. If you see any behaviour you regard as putting an individual at risk of harm (whether or not you believe the person involved to be an apprentice), please report it to our Safeguarding Officer, Paul Templeton, on 01480 400437.

**Thank you** - your efforts will help us continue to keep Firebrand Training and Wyboston Lakes a secure and supportive learning environment for everyone.
